RESPONDENT'S PROFFER ON AWARD OF COMPENSATION

On January 7, 2015, [REDACTED] ("petitioner") filed a petition for compensation under the National Childhood Vaccine Injury Act of 1986, 42 U.S.C. §§ 300aa-1 to -34 ("Vaccine Act" or "Act"), alleging that she suffered from Hashimoto's thyroiditis and premature ovarian failure as a result of receiving the Hepatitis A vaccine on July 16, 2013. Petition at 1-5. On December 14, 2020, Special Master Sanders issued an entitlement decision in favor of petitioner. ECF No. 133. Respondent now proffers the following regarding the amount of compensation to be awarded.¹

I. Items of Compensation

A. Life Care Items

Respondent engaged life care planner [REDACTED], MSN, BSN, RN, CNLCP, and petitioner engaged [REDACTED] M.D., MPH, JD, to provide an estimation of petitioner's future vaccine-injury related needs. For the purposes of this proffer, the term "vaccine injury" is

¹ The parties have no objection to the amount of the proffered award of damages. However, respondent reserves his right, pursuant to 42 U.S.C. § 300aa-12(f), to seek review of the Special Master's December 14, 2020 ruling on entitlement, finding petitioner entitled to an award under the Vaccine Act. This right accrues following the issuance of the damages decision.

as described in the Special Master's December 14, 2020 Ruling on Entitlement. All items of compensation identified in the life care plan are supported by the evidence, and are illustrated by the chart entitled Appendix A: Items of Compensation for [REDACTED], attached hereto as Tab A. Respondent proffers that petitioner should be awarded all items of compensation set forth in the life care plan and illustrated by the chart attached at Tab A. Petitioner agrees.

B. Pain and Suffering

Respondent proffers that petitioner should be awarded \$250,000.00 in actual pain and suffering. *See* 42 U.S.C. § 300aa-15(a)(4). Petitioner agrees.

C. Past Unreimbursable Expenses

Evidence supplied by petitioner documents her expenditure of past unreimbursable expenses related to her vaccine-related injury. Respondent proffers that petitioner should be awarded past unreimbursable expenses in the amount of \$7,361.02. Petitioner agrees.

II. Form of the Award

The parties recommend that the compensation provided to petitioner should be made through a combination of lump sum payments and future annuity payments as described below, and request that the Special Master's decision and the Court's judgment award the following:²

A. A lump sum payment of \$259,279.47, representing compensation for life care expenses expected to be incurred during the first year after judgment (\$1,918.45), pain and suffering (\$250,000.00), and past unreimbursable expenses (\$7,361.02) in the form of a check payable to petitioner, [REDACTED].

² Should petitioner die prior to entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future medical expenses, future lost earnings, and future pain and suffering.

B. An amount sufficient to purchase an annuity contract,³ subject to the conditions described below, that will provide payments for the life care items contained in the life care plan, as illustrated by the chart at Tab A, attached hereto, paid to the life insurance company⁴ from which the annuity will be purchased.⁵ Compensation for Year Two (beginning on the first anniversary of the date of judgment) and all subsequent years shall be provided through respondent's purchase of an annuity, which annuity shall make payments directly to petitioner, [REDACTED], only so long as petitioner is alive at the time a particular payment is due. At the Secretary's sole discretion, the periodic payments may be provided to petitioner in monthly, quarterly, annual, or other installments. The "annual amounts" set forth in the chart at Tab A describe only the total yearly sum to be paid to petitioner and do not require that the payment be made in one annual installment.

³ In respondent's discretion, respondent may purchase one or more annuity contracts from one or more life insurance companies.

⁴ The Life Insurance Company must have a minimum of \$250,000,000 capital and surplus, exclusive of any mandatory security valuation reserve. The Life Insurance Company must have one of the following ratings from two of the following rating organizations:

- a. A.M. Best Company: A++, A+, A+g, A+p, A+r, or A+s;
- b. Moody's Investor Service Claims Paying Rating: Aa3, Aa2, Aa1, or Aaa;
- c. Standard and Poor's Corporation Insurer Claims-Paying Ability Rating: AA-, AA, AA+, or AAA;
- d. Fitch Credit Rating Company, Insurance Company Claims Paying Ability Rating: AA-, AA, AA+, or AAA.

⁵ Petitioner authorizes the disclosure of certain documents filed by the petitioner in this case consistent with the Privacy Act and the routine uses described in the National Vaccine Injury Compensation Program System of Records, No. 09-15-0056.

1. Growth Rate

Respondent proffers that a four percent (4%) growth rate should be applied to all non-medical life care items, and a five percent (5%) growth rate should be applied to all medical life care items. Thus, the benefits illustrated in the chart at Tab A that are to be paid through annuity payments should grow as follows: four percent (4%) compounded annually from the date of judgment for non-medical items, and five percent (5%) compounded annually from the date of judgment for medical items. Petitioner agrees.

2. Life-contingent annuity

Petitioner will continue to receive the annuity payments from the Life Insurance Company only so long as she, [REDACTED], is alive at the time that a particular payment is due. Written notice shall be provided to the Secretary of Health and Human Services and the Life Insurance Company within twenty (20) days of [REDACTED]'s death.

3. Guardianship

Petitioner is a competent adult. Evidence of guardianship is not required in this case.

III. Summary of Recommended Payments Following Judgment

- A. Lump Sum paid to petitioner, [REDACTED]: \$259,279.47
- B. An amount sufficient to purchase the annuity contract described above in section II.B.
